

Spring Break Camp in French, Spanish or Mandarin • April 6–7, 10–14

Our weeklong camps can be attended one day at a time, or all week long! Each day will hold new surprises.

Daily themes will include:

Science lab: Experiments in Chemistry, Biology, Physics

Cooking/baking: Bread baking and other delicious dishes

Improv & magic: Optical illusions, magic tricks, puppets, and improv skills

Fiber arts: Weaving, sewing, dyeing, and other textile arts

Maker/Builder: Cardboard construction, tinkering and mechanics

Sports/games day: Field day with sports and group games... among others!

Art, crafts, and games are always part of the mix. Join us for the whole week or drop in 1–4 days!

Spring campers will be immersed in **French or Spanish**. You will receive post-camp photos, recipes, how-tos, skills/concepts they learned, as well as a list of vocabulary and key language.

We will make various kinds of puppets → and put on a show – shadow puppets were a HUGE hit at midwinter camp!
