

L'alimentation fermière du 18ème siècle • La comida campesina del siglo XVIII

Nov. 8: We're Gonna Party Like It's 1799!

18th-C. Cooking Class & Trip to Queens County Farm

What was life like on a Queens farm in the 1700s? Queens County Farm has been continuously farmed for 325 years (1697)!

Campers will **cook** in a real 18th-century farmhouse kitchen. We will **churn butter, prepare vegetable soup, and make cornbread**, and learn about NYC's agriculture and food preparation and preservation in the late 1700s.

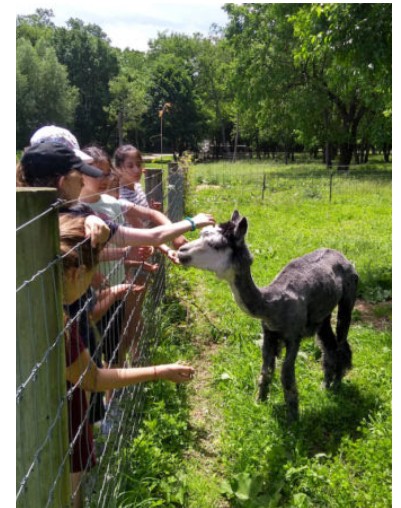

While the soup and cornbread cook over the fire, we'll **walk around the farm to visit the animals** (alpacas, pigs, chickens, steer, etc) and learn about the farm.

Campers will return to the kitchen to **eat their 18th-century dishes** around the hearth!

We will spend the rest of the day **exploring the farm** and **playing outdoor games**.

Key vocabulary in **French** or **Spanish** includes cooking tools and processes, foods, diet, animals, sequencing, and farming. You will receive a vocabulary and fact sheet with images and concepts they learned.

Please check the weather! Be sure your child is dressed appropriately for outdoor play, running, and walking around a farm! We will provide snacks, **you provide a bag lunch**. We will have a picnic onsite during the visit.
