

SOCCER Skills+Drills in the Target Language (add-on)

Bonjour Language Camps offers a weekly **Soccer Skills+Drills session in the target language!**

We partner with the fabulous **Super Soccer Stars**, whose expert instructors provide 40-minute sessions to campers grouped according to skill and experience. Whether your child needs to learn the kick-and-play basics or sharpen tactical skills to boost their game, our coaches tackle these areas and help campers build confidence!

Soccer sessions are open to all campers ages 3.5–11. Families may choose to add soccer sessions during any week of enrollment.

Soccer integrates seamlessly with the Bonjour Language Camps schedule. Campers attend several recreational sports+games sessions per week. Those enrolled in soccer spend one of those sessions in small-group soccer.

Soccer is not included in base tuition and is available as an optional add-on (\$25) during registration.
